Learning and Development in the Early Years Foundation Stage

Children learn and develop through playing, exploring, being active, creative and being asked questions to help their thinking.

At Springfields children will be provided with experiences and support which will help them to develop a positive sense of themselves and of others, respect for others, social skills, building confidence and self-esteem resulting in a positive disposition to learn.

The School will support children's learning and development in communicating, speaking and listening. In the role-play area children can develop their imaginations and we have a cosy corner for children to enjoy looking at books. During story/singing time we encourage the children to actively participate by joining in. We provide a range of mark making media for the children to experiment with both inside and out. Children in Reception have daily Phonics lessons. English and Maths lessons are time-tabled throughout the week.

We support the physical development of all children by providing opportunities for them to be active and interactive and improve their skills of co-ordination, control, manipulation and movement. Children will also be encouraged to try new activities and to judge risks for themselves. We will support the children to use all of their senses to learn about the world around them and to make connections relating to what they already know and extending on this.

The Learning Environment

By having a routine with positive encouragement, we try to create a good atmosphere within a safe a stimulating environment. Where a child feels secure and happy he/she is ready to learn. For a child, playing is learning.

We are guided by The Early Years Foundation Stage (EYFS) (DfE 2021) and our setting covers the four stages of the EYFS:

A Unique Child - is constantly learning and can be resilient, capable, confident and self-assured

Positive Relationships - children learn to be strong and independent through positive relationships

Enabling Environment with teaching and support from adults - in which experiences respond to their individual interests and needs and help them to build their learning over time. Children benefit from a strong partnership between practitioners and parents and/or carers.

Learning and Development - children learn and develop at different rates and in different ways. The EYFS framework covers the education and care of all children in early years provision, including children with special educational needs and disabilities (SEND).

There are two areas of Learning and Development:

Prime areas

- Personal, Social and emotional development
- Physical Development
- Communication and language

Specific areas

- Literacy
- Mathematics
- Understanding the world
- Expressive arts and design

By using the guidance of The Development Matters document, we assess all our children when they enter our settings and are then able to plan their learning and development.

Assessment

We assess how the children are learning and developing through observations and through working with children. The information we gain, which includes photographs, are documented in the child's learning journey. This learning journey is shared with parents via e-mail and a printed copy is given at the end of the year. Parents are also encouraged to share information about what their child likes to do at home using wow stickers. Parental Consultation evenings are held three times a year.

We use the Reception Baseline assessment in September as a starting point and final assessment at the end of the Reception year using the Early Learning Goals allows staff to assess progress over the year and to make necessary recommendations where children's individual performance exceeds or falls below national expectations.

Springfields First School End of Year Expectations for Reception

Information for parents and carers on the end of year expectations for children in our school. The staff have identified these expectations as being the minimum requirements your child must meet in order to ensure continued progress throughout the following year.

All the objectives will be worked on throughout the year and will be the focus of direct teaching. Any extra support you can provide in helping your children to achieve these is greatly valued.

If you have any queries regarding this information or want support in knowing how best to help your child please talk to your child's teacher.

If you have more than one child at our school, or children at other ParentPay schools, you can create a single account login for all your children.

Making a payment is straightforward and ParentPay holds a payment history for you to view at a later date; no card details are stored in any part of the system. Once you have activated your account you can make online payments straight away.

Friends of Springfields First School

Friends of Springfields First School is the parent, teacher and friend association (PTFA) at Springfields.

We are made up of a group of parents and teachers who come together throughout the year to organise fun activities for our children and families to enjoy and to raise money for our school. By having a child at Springfields you are automatically a member of the PTFA!

Some of the events we usually run include:

- Christmas Fair (with a special guest visitor)
- Easter Trail
- Disco's
- Summer Fair
- Raffles
- Ice Pop Fridays
- Pop up shops for Mother's Day, Father's Day and Christmas
- Next year we have a circus coming to school!

These events always see a good turn out and are fun for everyone! We sold over 340 gifts at our Mother's and Others Shop, where the children chose their own gifts for special people in their lives and we sold 120 maps for our Easter Trail.

Last Academic year we raised a whopping £6000, our biggest profits to date. The money we raise is spent on equipment and resources to improve our children's experience at school. In the past the funds we have raised have provided the school with a new library, new laptops, outside equipment such as picnic benches and a scooter rack. Every year we cover the cost of coaches for school trips, keeping the costs down for parents. For the last few years we have donated £100 per class for the teachers to spend on something they'd like for their classroom, this varies from class to class, from additional books to sand pits. We have paid for pantomimes and children's entertainers at Christmas time and this year the PTFA have donated £1000 towards the cost of new reading books for the whole school.

We send regular communications to parents through the school email system (which is PTFA funded) and we also have our own Facebook group "Friends of Springfields First School" so please join the group.

If you would like to get involved with the PTFA, whether it's coming along to our meetings to help plan events or volunteering at events, we would love to hear from you. Our email address is ptfa@springfieldsfirst.staffs.sch.uk. All our events are run by parent volunteers so we really can't put them on without your support.

There are some great reasons to become active members of your PTFA, including making new friends and meeting other parents. You'll also be making a real difference to your school community and helping raise money for the school. Your children will also love that you are involved in their school, I know mine do!

Our current committee are:

Chair - Anna Hawkins

Vice Chair - Sam Williamson

Treasurer - Erinna Freeth

Secretary - Amy Hill

FIRST AID

Should children need first aid to be administered, staff act in 'loco parentis' (as caring parents) and follow school procedures. If there is concern about an injury the child is referred to our qualified Paediatric First Aiders who in consultation with the Head Teacher decide the action that needs to be taken. All first aid applied is recorded. Parents are only informed if we consider there may be a delayed reaction, (in which case an accident form is sent home) or if we consider parents need to be contacted immediately. It is therefore essential that we have two contact telephone numbers for parents during the school day. Hopefully, these will never be needed for your child.

We aim to treat children who become ill or who have health problems with care and sympathy. If your child is taken ill at school we will try to contact you and arrange for them to be taken home. Most members of staff are qualified in Emergency First Aid.

In the case of emergencies or more serious injury, we shall try to contact you but no time will be wasted before calling an ambulance or a doctor and it may well be that we shall only be able to contact you afterwards.

We regret that we are only able to administer medicines which are prescribed by a doctor. No non-prescribed medicines (such as Calpol) should be brought into school and we regret that we are no longer able to administer these medicines unless they have been prescribed by a Doctor. Parents must ensure that medicines, particularly inhalers and eczema creams held in school have not passed their expiry date.

Requests for administration of prescribed medicine need to be made to the School Office and a parental consent form / health care plan completed. All medication must be clearly labelled with the owner's name, dosage and details of when/ how often it should be administered.

All children with long term health problems which require intervention by school staff will have a care plan completed by their parents.

A copy of our First Aid Policy is available upon request.

School Data Collection Sheet - Introducing SIMS Parent Lite

Springfields First School holds key data for your child. The accuracy of this information is essential to ensure that your child is effectively supported and that we have an up to date information at all times.

We request the information every Autumn Term to update our files. However, if any of your details change in the meantime we ask that you inform us of this in writing as soon as possible or alternatively you can update your child's records instantly via SIMS parent Lite, our data collection system. **It is parent's responsibility to keep the school informed of any changes.**

SIMS parent Lite:

- aids schools in managing data accuracy and upkeep, and also 'security in transit' by enabling parents and staff to confirm data and update changes as required throughout the academic year.
- allows you to review and request changes to information such as medical details and dietary needs electronically, using the text information function. Parents can also provide additional information on these crucial details, ensuring that personal information not previously held in SIMS is collected.
- allows you to complete an online "data checking sheet" to update the contact information we hold for your son / daughter, removing the need for paper-based collection – something we would urge you to do the first time you log in.

SIMS Parent Lite helps schools comply with the new GDPR data requirements, by providing a simple way to collect, manage and handle information by obtaining accurate data securely from parents.

We recommend the use of SIMS Parent Lite to view and update your child's details as it's the quickest and most secure way to keep all your details up to date. However, if you require a paper copy you can request this in writing.

Getting started with SIMS Parent Lite.

1. We will send you an activation email; simply click on the link from your smartphone, tablet or PC to activate your account.
2. You can then log in using your normal Facebook, Twitter, Google, Microsoft or Office 365 username and password.
3. Once you have registered, you can access the SIMS Parent website by visiting www.sims-parent.co.uk directly.

Please check the accuracy of the data, paying particular attention to the following sections:

- the address and postcode in the 'Student Details' section are correct
- the phone numbers and email addresses in the 'Contacts' section are correct
- the medical information we have is accurate and correct; please note that some information may be duplicated between the medical conditions and medical notes section

Please remember to click 'Save' button after changes are made and then 'Save and Finish' at the end to save all changes.

The School Data Collection Sheet requests Ethnicity, and First Language for your child, however it is not compulsory for you to provide this information

City Catering's Values

We believe that food plays an important part in the school day. By providing pupils with a healthy, nutritionally balanced meal we help to support their learning and development during the day.

Our dedicated team some of whom are based in your school work hard to ensure that we deliver a range of meals each school day which will be enjoyed by your child. Our staff in your school are all fully trained and DBS cleared.

Eating in company helps to develop social skills so we aim to give all pupils the opportunity to have a school meal. For those with special medical dietary

requirements the menu can be adapted to suit individual needs. We aim to offer similar options where possible so that pupils appear to be eating the same foods. We meet with parents individually to put this process in place.

We take pride in serving all of our meals on Staffordshire manufactured plates and bowls, supporting the City's pottery heritage.

The health and wellbeing of pupils is and always will be our main focus, this is supported by us being locally based non-profit making business.

Quality

Over 90% of our dishes are homemade. This means that we can produce them using quality ingredients that have been sourced locally wherever possible. All ingredients we use are checked to ensure our standards are met and for their suitability for special diets. There is no Monosodium Glutamate in our ingredients and no Genetically Modified food on our menu.

We put emphasis on sourcing environmentally sustainable and ethically sourced foods. Our fruit and vegetable suppliers work with local growers to make the most of seasonality. These factors are supported by our menu holding the Silver Food for Life Catering Mark awarded by the Soil Association.

A few other things you might find interesting about our ingredients:

- The meat that we use is farm assured ensuring animal welfare, food safety, UK origin and low food miles.
- We only use free range eggs.
- Fish serves is Marine Stewardship Council (MSC) certified.
- We support the '5 a day' campaign and use local growers where possible.
- A percentage of the meat we purchase is organic.
- City Catering has its own policies for Additives, MSG and Nuts to ensure that strict standards are adhered to at all times.
- Allergen information is available for all dishes served.

Your School's Menu

The menu offer in your school has been chosen by pupils at your school. A consultation process was carried out during the Summer Term; this included asking pupils to vote on the dishes they wanted to see on the menu. Allowing schools to have this input means that each school's menu meets the preferred tastes of that school.

Once pupils had made their selection a three week menu cycle was created to ensure that the offer complies with the School Food Standards put in to place by the government. If you wish to find out more visit www.schoolfoodplan.com

Our display menus main course options

are shown as meals, these act as a guide for pupils but are not set in stone. When pupils make their choice at the serving area they can choose what carbohydrates and vegetables they would like to accompany their choice. Portion sizes are in line with those recommended by the Children's Food Trust. Getting your correct portion size is important but does need balancing with changing appetites so flexible portioning is adopted on the carbohydrate choice to support main protein items.

In order to keep pupil's classic favourites on the menu we carefully select our ingredients and use healthier cooking methods. We do not fry goods, oil is not

added to the cooking process and dishes are made and cooked to our recipes not bought in prepared. Our kitchens hold the 'Eating Well to be Well' award which is an initiative within Stoke on Trent to promote healthier eating to customers. It is awarded by the Environmental Health Team following a strict assessment process.

There is always a selection of salad items and fresh bread (locally baked to our own recipe) available for pupils to have as an addition to their chosen meal at no extra cost.

Sometimes pupils prefer to choose the 'deli' option of a sandwich, baguette or wrap, or a filled Jacket Potato. There are a range of fillings available daily. Pupils still have a choice of dessert and drink with

this option and access to the selection of salad and fresh bread.

Each day pupils have a choice of dessert items. We always offer a traditional homemade dessert. Custard is optional for those who like it. The recipes for these desserts as with all of our recipes are carefully designed to use less fat, salt and sugar. Our chocolate desserts don't actually contain 'chocolate'. If pupils prefer they can choose from yogurt, Fresh Fruit or Crackers and Cheese.

Each meal is accompanied by a choice of drink. These options are all compliant with food standards.

If you wish to find out the cost of meals in your school please contact your school directly.

Free Meals for Reception, Year One and Year Two

Take advantage of the government scheme (Universal Infant Free School Meals) which provides all pupils in Reception, Year 1 and Year 2 with a free school meal each day.

This scheme is an excellent initiative which saves parents time as there is no need to worry about preparing a packed lunch for school but more importantly saves money.

Welfare Free School Meals are still available for those who are eligible across all year groups.

Did you know?

On occasions throughout the school year we will change the regular menu to celebrate special calendar dates, celebrations or to support topics on the curriculum. These menu changes allow us to offer pupils the opportunity to experience different foods and dishes but many are just a treat for pupils to enjoy.

To support schools we happily attend parent's evenings or meet with parents at arranged sessions to discuss topics around food, healthy eating and our service in school, offering parents the opportunity to try some of our menu items. We also carry out talks with pupils to support their curriculum learning around nutrition and food.

Tasters are often given out at lunchtime to encourage pupils to try new food. If after trying they can then maybe choose the dish when it's next on the menu.

CITY CATERING

Policy on Catering for Special Diets

Every child has the right to a varied and nutritious lunch menu, regardless of special dietary requirements and needs. It is of the utmost importance that any child suffering from a food allergy and intolerance can enjoy their school meal without risk of reaction.

City Catering will cater for all special diets, regardless of how complex or rare they may be.

Our Policy

- ❖ We ask that parents provide us with written confirmation of the allergy/medical condition from a GP, Consultant, Dietitian or other health professional, which is passed on via the school. This is to ensure that children are not having foods removed from their diet without a diagnosed medical need.
- ❖ Once we have this information, our Nutritionist will contact parents directly, and wherever possible will arrange a meeting at the school to develop a bespoke menu. The Catering Supervisor is invited to attend, as well as the Pupil as it is important for them to take on ownership and understanding of their individual menu and food choices. Where ever possible, the pupil will be provided with a menu that is similar to their peers, so there is very little obvious difference in food choices.
- ❖ Once the menu is finalised, the Catering Supervisor receives copies of the menu and modified recipes and dishes are produced accordingly.

Continued Support

We advise on steps to prevent reactions occurring, such as identifying and displaying information regarding allergenic ingredients, methods of food preparation/ cooking and eliminating cross contamination. Each kitchen also has an Allergen Folder which is updated on a regular basis, should any additional queries arise.

Throughout all this process, ensuring good communication between our Nutritionist, the Catering Supervisor, School and Parents/ Guardians is essential. Parents can contact our Nutritionist at any time and often do. It is essential that our Nutritionist is assertive and knowledgeable when speaking to Parents, as this ensures they continue to have faith and confidence in us. Letting someone else cater for a child with specific needs can be quite a daunting prospect for some parents, which is why we always make sure the highest standard of practice is adhered to at all times.

If you require any further information, please contact Jenny Roberts, our Nutritionist, via the contact details below:

FREE SCHOOL MEALS / UNIVERSAL FREE SCHOOL MEALS

All Reception, Year 1 and Year 2 age pupils are entitled to a free meal under the Universal Free School Meals scheme.

However, Springfields First School offers financial support to the families that meet the low income criteria and would be entitled to a free school meal regardless of the age, in the form of free school trips, music lessons, after school sport clubs etc. offered in school.

All school educational visits and after school sports activities organised by school will be automatically paid for by the school.

If your child wishes to take part in one of the after school clubs offered, you must contact the school so we can arrange the payment. If your child chooses to take part in the after school activities and does not commit, we may review further funding.

If you think you meet the low income criteria and your child is going to be in Reception year or above when the meals begin, please apply on Staffordshire County Council website, the Free School Meals section:

Springfields Care Club c/o Springfields First School accepts both Childcare vouchers and 'Childcare choices' payments

Springfields First School is registered with the following providers:

- Busy Bees Benefits
- Allsave Limited
- Enjoy Benefits
- Fideliti
- Kiddivouchers
- Care 4 (provider number 63686986)
- Computershare (provider number 0019625705)
- Edenred (provider number P21249029)
- Sodexo (provider number 224756)

Depending on a provider, they will request the schools provider number (if applicable) and / or schools' Ofsted registration number (124141) and / or schools postcode (ST15 0NJ).

Please remember to reference your payment with our cost centre **231592/68238** followed by initials if possible, to enable Staffordshire County Council finance department to allocate funds correctly. Without this reference, allocation will not be available and your Springfields Pre-school / Care Club account will stay in arrears.

Springfields First School is also registered on a gov.uk website - '**childcare choices**'. If you choose to pay through childcare choices, please ensure you email the school office with your TFC reference number eg. RSKE12345TFC, so we can inform Staffordshire County Council for the correct allocation of funds. Please note, without the TFC reference number, Staffordshire County Council is unable to allocate funds accordingly and your ParentPay Care club account will remain in arrears.

Please ensure you make all voucher payments to the Springfields First School account, not the Springfields Out Of School Club - SOOSC (this used to be an independent club operating during school holidays only) as the payment is not transferable between these two provisions.

If you choose to pay for the childcare via childcare vouchers or childcare choices, please remember it can take up to 4 working weeks for your ParentPay account to update with the payments made as all payments go via Staffordshire County Council account and are allocated to individual schools accordingly.

Parents working various shifts (Springfields Care Club):

As some professions require various shift patterns, the governors have agreed to pre-book care club sessions on a rolling basis with 4-6 weeks notice, as soon as the shift pattern is released for each particular period.

Springfields Care Club will **NOT** accept older siblings from local middle schools for the before and after school care until the guidance regarding class / school bubbles changes.

If you require an ad hoc or an emergency booking, you will need to email careclub@springfields-first.staffs.sch.uk before 6.30pm day before or before 12.30pm for an afternoon session to check the availability as we will not be able to accept children if the club is full for that session / day.

If you are running late or you cannot contact us via email before 12.30pm for the afternoon session, please phone the school office on 01785 337310 so we can check the availability.

FIRST AID

Should children need first aid to be administered, staff act in 'loco parentis' (as caring parents) and follow school procedures. If there is concern about an injury the child is referred to our qualified Paediatric First Aiders who in consultation with the Head Teacher decide the action that needs to be taken. All first aid applied is recorded. Parents are only informed if we consider there may be a delayed reaction, (in which case an accident form is sent home) or if we consider parents need to be contacted immediately. It is therefore essential that we have two contact telephone numbers for parents during the school day. Hopefully, these will never be needed for your child.

We aim to treat children who become ill or who have health problems with care and sympathy. If your child is taken ill at school we will try to contact you and arrange for them to be taken home. Most members of staff are qualified in Emergency First Aid.

In the case of emergencies or more serious injury, we shall try to contact you but no time will be wasted before calling an ambulance or a doctor and it may well be that we shall only be able to contact you afterwards.

We regret that we are only able to administer medicines which are prescribed by a doctor. No non-prescribed medicines (such as Calpol) should be brought into school and we regret that we are no longer able to administer these medicines unless they have been prescribed by a Doctor. Parents must ensure that medicines, particularly inhalers and eczema creams held in school have not passed their expiry date.

Requests for administration of prescribed medicine need to be made to the School Office and a parental consent form / health care plan completed. All medication must be clearly labelled with the owner's name, dosage and details of when/ how often it should be administered.

All children with long term health problems which require intervention by school staff will have a care plan completed by their parents.

A copy of our First Aid Policy is available upon request.

CITY CATERING

Policy on Catering for Special Diets

Every child has the right to a varied and nutritious lunch menu, regardless of special dietary requirements and needs. It is of the utmost importance that any child suffering from a food allergy and intolerance can enjoy their school meal without risk of reaction.

City Catering will cater for all special diets, regardless of how complex or rare they may be.

Our Policy

- ❖ We ask that parents provide us with written confirmation of the allergy/medical condition from a GP, Consultant, Dietitian or other health professional, which is passed on via the school. This is to ensure that children are not having foods removed from their diet without a diagnosed medical need.
- ❖ Once we have this information, our Nutritionist will contact parents directly, and wherever possible will arrange a meeting at the school to develop a bespoke menu. The Catering Supervisor is invited to attend, as well as the Pupil as it is important for them to take on ownership and understanding of their individual menu and food choices. Where ever possible, the pupil will be provided with a menu that is similar to their peers, so there is very little obvious difference in food choices.
- ❖ Once the menu is finalised, the Catering Supervisor receives copies of the menu and modified recipes and dishes are produced accordingly.

Continued Support

We advise on steps to prevent reactions occurring, such as identifying and displaying information regarding allergenic ingredients, methods of food preparation/ cooking and eliminating cross contamination. Each kitchen also has an Allergen Folder which is updated on a regular basis, should any additional queries arise.

Throughout all this process, ensuring good communication between our Nutritionist, the Catering Supervisor, School and Parents/ Guardians is essential. Parents can contact our Nutritionist at any time and often do. It is essential that our Nutritionist is assertive and knowledgeable when speaking to Parents, as this ensures they continue to have faith and confidence in us. Letting someone else cater for a child with specific needs can be quite a daunting prospect for some parents, which is why we always make sure the highest standard of practice is adhered to at all times.

If you require any further information, please contact Jenny Roberts, our Nutritionist, via the contact details below:

jenny.roberts@stoke.gov.uk

FREE SCHOOL MEALS / UNIVERSAL FREE SCHOOL MEALS

All Reception, Year 1 and Year 2 age pupils are entitled to a free meal under the Universal Free School Meals scheme.

However, Springfields First School offers financial support to the families that meet the low income criteria and would be entitled to a free school meal regardless of the age, in the form of free school trips, music lessons, after school sport clubs etc. offered in school.

All school educational visits will be automatically paid for by the school.

If your child wishes to take part in one of the after school clubs offered throughout a year, you must contact the school so we can arrange the payment. All we ask is that if your child chooses a club, they try to commit to it and attend as the fee is non-refundable and places are limited. If your child chooses to take part in the after school activities and does not commit, we may review further funding.

If you think you meet the low income criteria and your child is going to be in Reception year or above when the meals begin, please apply on Staffordshire County Council website, the Free School Meals section:

<https://apps2.staffordshire.gov.uk/web/fsmweb/>

If you are looking to apply for a free school meal entitlement to start from September 2021, please don't apply before 1 June 2021.

- Universal credit (provided you have an annual net earned household income of no more than £7,400 as assessed by earnings from up to three of your most recent assessment periods). Your net earned income is your household income after taxes and deductions and does not include income from Universal Credit or any other benefits you may

To prevent a delay in your claim, please don't apply before either:

- Your eligibility to working tax credit has ended but you are still receiving child tax credit and have a household income (as used by HMRC to assess tax credits) of less than £16,190, or receive one of the qualifying benefits listed above or;
- Your claim for a qualifying benefit has been accepted and the start date for the benefit has passed or;
- You have received your benefit or tax award notice showing that you meet the eligibility criteria
- your entitlement to Universal Credit has been confirmed

Please note Staffordshire County Council is unable to backdate a claim for entitlement to free school meals to cover unpaid money or refund money paid prior to the start date of a successful application.

Please note that children being fostered are not normally eligible to claim free school meals as the fostering allowance paid is intended to cover the cost of the provision of meals for the child.

If your child has a finalised Education, Health and Care Plan and is registered as a pupil at a special school they can receive free school meals at nursery age - if you are not sure if you have a finalised plan or if they are registered at the school (and not at some other nursery provision on site) please check with the school before making your application for free school meals.
